

# Eastern Creek Driver Training

Based at Eastern Creek International Raceway, the Eastern Creek Driver Training Centre offers a variety of advanced driver training courses. All courses are held on the largest skid pan in Sydney, which is made from polished concrete to ensure no wear and tear to vehicles and is environmentally friendly, relying on recycled dam water.

## Drift School

This course is for any driver who holds a full licence and wants to get started in drifting or to develop their advanced car handling skills. Held on the skid pan at Eastern Creek Raceway this course begins at 5:00pm, finishes at 9:00pm and due to small groups will involve intensive tuition.

Anyone can slide a vehicle however our comprehensive in car tuition will provide you with the skills to do this in a controlled fashion. Skills covered in the course include:

- Drifting techniques
- Turning under steer into over steer (core drifting skills)
- Drifting lines
- Trail braking
- Lift off over steer
- Hand brake slides

The courses are run by ARDC professional instructors, with the emphasis on maximum practical experience.
