## Twilight Track Night

The Australian Racing Drivers Club is conducting a twilight track night at Eastern Creek Raceway for individuals or groups to experience their road registered cars in a safe and controlled environment. Whilst the nights are strictly non-competitive with no timing or racing, you will get ample time to learn, build and improve on your driving skills with the help of our qualified instructors. Pre bookings are essential.

Dependent on experience and ability you will be broken into one of three groups, Advanced, Intermediate and New, each having their own 20 minute session of open track time per hour. No more than 20 cars are on track in each session. Additionally should you wish to book your own private session, this can also be arranged. Great for groups who perhaps take their driving a little more seriously!

The night will commence with sign on at 4.30pm and then circuit activity at 5.00pm sharp. All new drivers will be taken on compulsory sighting drive of the circuit highlighting driving lines, apexes and most importantly, safety on the circuit.

### **Bookings are essential. What are you waiting for?**

Numbers are strictly limited and will fill quickly so to avoid disappointment, don't hesitate and book your spot now.
